puukauha

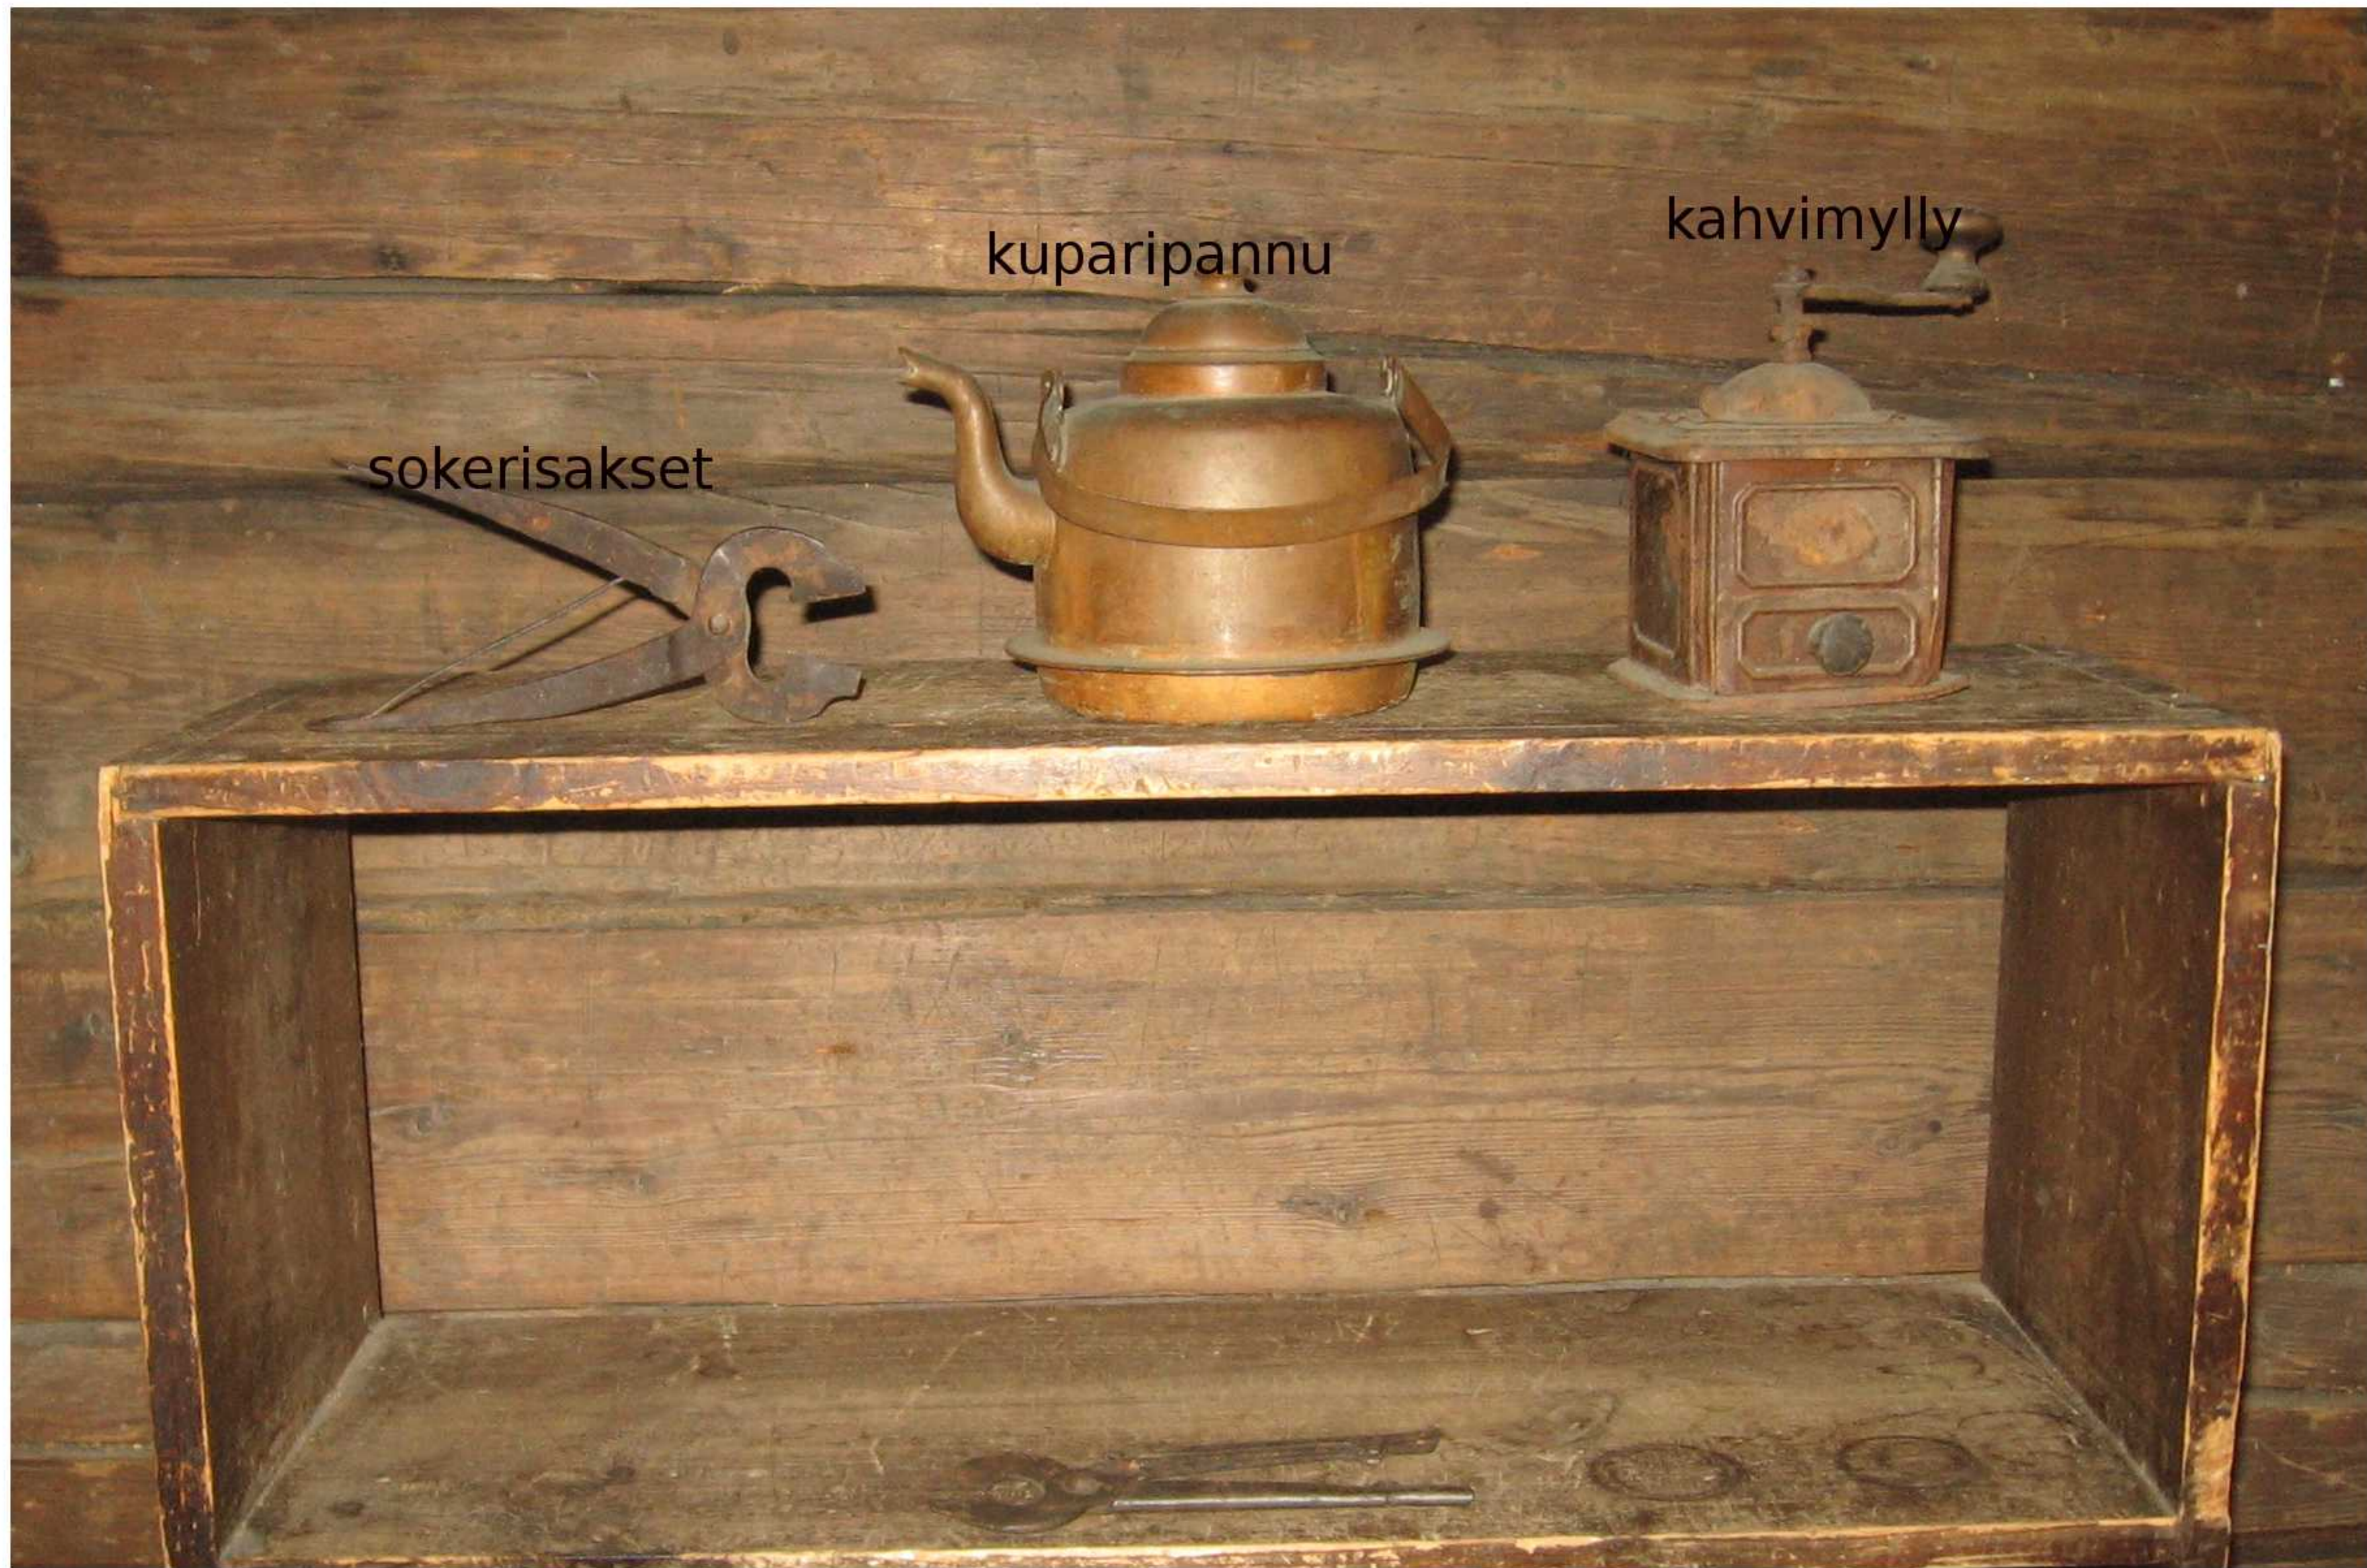

koussikka

kapusta

A wooden horn, likely a kirnu, is shown vertically. It has a long, narrow body with alternating horizontal stripes of red and white paint. The top of the horn is flared and has a small, pointed opening. The horn is standing on a wooden surface, and the background is a wall made of horizontal wooden planks. The text "Maksin kirnu 1900-luvun alkupuolelta" is overlaid on the image.

Maksin kirnu 1900-luvun alkupuolelta
